Dear friends!

Hope all of you have had a great Christmas and New Year celebrations and crossed in the 2017 with new expectations and dreams. May God bless you.

We also have had a great Christmas celebrations as in CRAC as in other 7 projects that we support.

Every Christmas all projects try to do something special for children..

Of course they organize a big delicious meal, with food that majority of the children could have only once a year at the church program. Also they play different games, organize small tournaments, that every child feels better in this day, because this is Jesus birthday and for Him this is the biggest joy to see a happy child.

At CRAC at this day staff is coming with their family (those who are already married) so we show to the children from project that we are one big family and that we care and respect them as our own children.

Here I have attached some photos from projects were you can see and enjoy with us that wonderful moments. At some pictures you can see small flags that you have sent. Also staff from Orhei did a small thanks video. A big thanks to you for your support in organizing this important feast.

Wonderful that year just have started, but you already work to help Moldova, you are great. Immediate we will receive boxes I will ask projects to send you pictures. As I understood car already arrived and will be unloaded today or tomorrow.

Blessings,
with big respect
Sandu
